

Caper® Chairs

Caper Chairs.

Caper chairs are a range of versatile swivel and visitor chairs, designed for multiple uses in offices and homes. With a fresh, universal aesthetic and a wide range of colours and finishes, they fit any environment to provide a distinctive look and comfortable support. Lightweight, compact and mobile, Caper provides more comfort, space efficiency and versatility than traditional secondary seating. From under 4kg, Caper is significantly lighter than other chairs in its class, making it really easy to use when preparing rooms for meetings.
